

Notes to Parents:

DROP OFF AND PICK UP your children by parking in the designated parking areas only.

DO NOT STOP in the driveway area. Traffic must continue to flow. It is dangerous for all children when drop-offs and pick-ups are made in the driveway.

Please **DRIVE SLOWLY** through the driveway and parking areas as well as when you exit on 103rd Ave. The neighbors appreciate our courtesy.

Parents of Preschool through Kindergarten pick up their children at the class room.

Parents of 1st & 2nd grade pick up their children under the covered walkway.

Thank You for abiding by these rules for the safety of every student.
